

# Supercharge your MSP growth with CyFlare.

**Embrace freedom and amplify your profitability.**

At CyFlare, we understand that your business needs a comprehensive and tailored solution to thrive in today's competitive landscape. That's why our MSP Program offers a multitude of benefits designed to meet your unique needs, without any unnecessary constraints or limitations.

## Competitive End-User and Device Pricing

Our proven track record demonstrates that partnering with CyFlare can significantly boost your recurring revenue.

We provide the tools, expertise, and support you need to expand your business and achieve long-term financial success.

## 97% True Positive Rate

Our platform boasts an impressive 97% true positive rate, ensuring prompt detection and resolution of any issues your clients may face.

With CyFlare, you can provide proactive and reliable support, exceeding your clients' expectations every time.

## 98% Automated Remediation

Our platform leverages advanced automation techniques, enabling 98% automated remediation of common issues.

This frees up your team to focus on more complex tasks and high-priority issues, ultimately boosting productivity and efficiency.

✓ No per-client contracts    ✓ No deployment fees    ✓ Flexible ramp schedule    ✓ Simple rate sheet

- ✓ **No per-client contracts:** We believe in flexibility and freedom. With CyFlare, you won't be tied down by burdensome per-client contracts. Instead, you can focus on delivering exceptional service to your clients while we take care of the rest.
- ✓ **No per-tenant minimum:** Whether you have a handful of clients or a rapidly growing portfolio, CyFlare has you covered. There are no per-tenant minimums, allowing you to scale your business at your own pace without any restrictions.
- ✓ **Multi-tenant security portal:** Say hello to CyFlare's ONE Platform. Our intuitive and powerful management portal empowers you to efficiently oversee and manage all your clients from a single centralized location. Simplify your operations and gain complete control with ease.

- ✓ **Flexible ramp schedule:** We understand that migrating existing contracts can be a challenge. With our flexible ramp schedule, you can smoothly transition your clients to the CyFlare platform without disrupting their business operations. We'll work with you to ensure a seamless transition at a pace that suits your needs.
- ✓ **Simple rate sheet:** Forget complicated pricing structures. Our rate sheet spans the ENTIRE CyFlare portfolio, making it easy for you to understand and communicate the value you bring to your clients. With clear and transparent pricing, you can confidently grow your business and increase your profitability.

## What we offer

### Proactive protection. Expert guidance. Unmatched security.

CyFlare's automated and integrated cybersecurity services seamlessly connect your security infrastructure, enabling real-time visibility and centralized control. Our solutions automate threat detection, incident response, and vulnerability management, empowering your clients with proactive defense and rapid remediation capabilities.

#### XDR

Leveraging advanced machine learning algorithms, CyFlare XDR Services continuously monitor and analyze vast amounts of data from across your network, endpoints, and cloud infrastructure.

#### MDR

Benefit from 24/7 monitoring, rapid incident response, and the peace of mind that comes with a CyFlare's proactive and comprehensive Managed Detection and Response solution.

#### CRI

Our Cyber Risk Intelligence Services leverage advanced scanning and assessment tools to identify and prioritize vulnerabilities across your network, applications, and infrastructure.

#### Professional Services

Our team of experts provide customized solutions designed to meet the unique needs of your organization, including risk assessments, compliance consulting, incident response planning, and more.
